EXAMPLES FOR SECURING

Note:
Always mount to solid wood do not attach to plywood back panels
always locate and attach to stud do not depend on wall anchors

Warranty: To be effective this product must be used in accordance with the instructions. Failure to follow the instructions will void all warranties. Specifically, it must be attached to studs and to solid wood surfaces on the furniture. Some furniture is made from particle board, please consult the furniture manufacturer or seller for construction details.

The Anti-Tip Kit helps keep items from tipping over. It does not help to secure drawers from sliding out or objects from sliding off tops of furniture. Consumer assumes all responsibility for product use and any risks or damage. Neither seller or manufacturer will be liable for injury, loss or damage from inappropriate installation of Anti-Tip Kit. Hangman is warranted against defects. Hangman Products will replace any broken or defective unit. No other warranties are offered or implied
