Keyhole Kit with Router Bit

Hang It Level Every Time!®

A customer needs to create keyholes in a piece he or she needs to hang on a wall. The single best solution is the **Hangman Products Keyhole kit with Router Bit (KH-10R)**. It is the simple and easy way for your customers to hang objects with keyholes and they can use the included router bit to create their own keyholes.

And don't worry about finding that ever elusive 2nd hole when hanging items with keyholes. This kit includes the Hangman 2nd keyhole locator, no one else has it. Now they can do the entire job themselves and do it in record time. And because it is **Hangman** it will be perfectly level and secure. The KH-10R will make you look like the smartest retailer in town. The **Hangman Products Keyhole Kit with Router Bit** includes; 4 Gold, 1", BCK Double Head Bear Claw Hangers, a Router Bit, 2 Keyhole Locators, the Hangman Bubble Level and positioning tape.

Hangman Benefits:

- **Hangman Products creates more return business.**
- **Hangman maximizes display space. Self-tapping tip for easy starting in drywall**
- **Hangman maximizes profits.**

Retailers, remember to recommend **Hangman Products** to your customers. We have the perfect solution for home improvement and eye-catching displays. Your clients can achieve professional results with minimal difficulty and effort when hanging outdoor wire. **Hangman** makes it all look easy.
