## About Us

**Hangman Products** is an innovator in hardware solutions for everyday needs. Our unique vision to create practical, user-friendly products that surpass the industry's highest safety standards has earned us contracts with the world's most trusted manufactures and retailers of household products, as well as a loyal following among homeowners.

Our ever-expanding line of products can handle even your most creative home, garage, retail, or office challenge. The **Hangman System, Frame/Canvas Hanger, Aluminum Frame Hanger, Wall-Dog Wire Hanger, Picture Perfect** or **Hangnail** lines offer easy-to-use mounting tools for mirrors, shelves, cabinets and furniture, either flush or wall mounted. The patented **Hangman system** means you hang it level every time, and our carefully engineered products guarantee a safe and sturdy installation.

**Hangman Products** also offer's a line of security and strengthening products, including **Shelf Stiffeners, Security Locks** for artwork and our **Anti-Tip Kit**.

Our **Slat Wall System** can be used in a gallery, garage, or for store merchandising. It can also be used in home or office to present art, organize shelving or tools. Our **Clip-it Strips, Self locking Peg Hooks, Panel Hangers** and art **Hangers** are all part of our **Slat Wall System** and will work with most generic slat wall systems. **Hangman Products** unique **Tool Caddy** organizes your tools for easy access within a compact space.

Our special line of extruded aluminum garage and closet components, both strengthen and stylize even the simplest cabinetry. **Hangman Products** specialized door and drawer pulls in the arts and crafts style add simple and sturdy elegance to any piece.
