Aluminum Frame Hanger

Hangman Products Aluminum Frame Hanger is hardware for mounting aluminum picture frames. No wall bracket needed for the Aluminum Frame. Our mounting bracket attaches into channel of most aluminum frames.

No more marks on the wall, burred edges on the frame or complaints about nails and wire. Your customer's art is important to them, it deserves to be hung the best and most secure way possible. For easier aluminum frame picture hanging recommend the **Hangman Products Aluminum Frame Hanger** to your customers.

The **Hangman Products Aluminum Frame Hanger** is part of the **Hangman Framing and Gallery System**.
