Double-Headed Bear Claw™

Hang It Level Every Time!®

Hangman Products Double-Headed Bear Claw™ is used to hang pictures and mirrors. It is an anchorless, mounting screw that was designed specifically to work with picture wire and D-rings. It features a self drilling tip for studs and works beautifully in drywall.

The **Double-Headed Bear Claw Screw™** is strong enough to hold 30lbs. in drywall and up to 100lbs when installed into a wood stud. The **Double-Headed Bear Claw™** is the perfect fastener for home improvement, hanging paintings, hanging other pictures or mirrors, creating art galleries, a home picture gallery or a photo gallery. **Hangman** helps you hang it level every time®.

- **Self locating anchorless screw**
- **No pilot hole required**
- **Penetrates studs with a handheld screwdriver**
- **Self-tapping tip for easy starting in drywall**
- **Replaces nails on picture hangers**
- **Holds up to 100lbs.**
- **It simplifies picture hanging**

Your art is important to you, it deserves to be hung the best and most secure way possible. For easier picture hanging recommend the **Double-Headed Bear Claw Screw™** to your customers.
