

Hang it Level Every Time!®

Flush Mount System Mirror Hanging and Picture Hanging

Hangman Products Flush Mount System, as the name suggests, allows you to flush mount mantles, cubes, mirrors, canvas art, etc against a wall. Mirror hanging, picture hanging and mantle hanging is made easier and hangs flush to the wall.

The brackets are heavy duty aluminum. Mounting holes are punched on 4 inch centers. The **Hangman Products Removable Bubble Level** is included. Hanging flush mount art could not be easier! When your customers need to hang an object flush against a wall suggest the **Hangman Products Flush Mount System**. The **Hangman Products Flush Mount System** is part of the **Hangman Framing and Gallery System**.

Model	Sizes	Holding Power	Bar Code
FM-6	6 inches		681391-10126-4
FM-10	10 inches		681391-10127-1
FM-18	18 inches		681391-10128-8
FM-30	30 inches		681391-10129-5
FM-96	96 inches		

Above uses screws and anchors

Above cannot be rated because of the distance of the hanger from the wall.
