Hangman 2 – Heavy Duty Cabinet Hanger

Organize Your Garage and Closets with Hangman

The **Hangman Products Hangman 2 Heavy Duty Cabinet Hanger** helps organize garages and closets by providing a simple, easy way to hang heavy duty cabinets. The **Heavy Duty Cabinet Hanger** is a simple, two bracket assembly that locks together. One bracket is secured on the wall while the other bracket is secured on the object to be hung.

The **Hangman Products Removable Level** is included and the **Hangman System** is supplied complete with all the hardware needed for wall installation. The brackets are heavy duty aluminum, mounting holes are punched on 1 inch centers and the **Heavy Duty Cabinet Hanger** holds up to 400 pounds.

Recommend the **Heavy Duty Cabinet Hanger** to your customers. It is a great way to help with closet organizing or garage organizing. The **Hangman Products Heavy Duty Cabinet Hanger** is part of the **Hangman Framing and Gallery System**.
