

Hang it Level Every Time!®

Heavy Duty Hangman System Mirror Hanging and Picture Hanging

With the **Hangman Products Heavy Duty Hangman System** for mounting you can quickly and easily hang mirrors, pictures and wall décor. The **Hangman Products Removable Bubble Level** is included and the **Hangman System** is supplied complete with all the hardware needed for wall installation. The brackets are heavy duty aluminum. Mounting holes are punched on 4 inch centers.

Let your customers put the fun back into mirror hanging, picture hanging and hanging wall décor. Tell them about the Hangman **Products Heavy Duty Hangman System**.

The **Hangman Products Heavy Duty Hangman system** is part of the **Hangman Framing and Gallery System**.
