Security Tape

Hang It Level Every Time!®

Hangman Products Security Tape is an easy to use, double-sided, permanent tape that secures objects to a wall. **Hangman Security Tape** is used anywhere you need extra security for wall hangings. This is the single, best solution for hotels, restaurants or any place wall hangings are permanently installed. You save time and money when our Security Tape is used. It is ideal for contract and hospitality installations. There is no need for complicated installations, **Hangman Security Tape** installs in seconds.

Hangman Products Security Tape is permanent and is meant to be permanent. In most cases, removing it from the wall will require a spatula/scrapper. Insert the spatula/scrapper at the bottom of the object then lift it up. When using more than one **Hangman Security Tape** installations on a wall hanging, a crow-bar may be required to remove the object from the wall.
