

Hangman Solutions Series: The Art Gallery

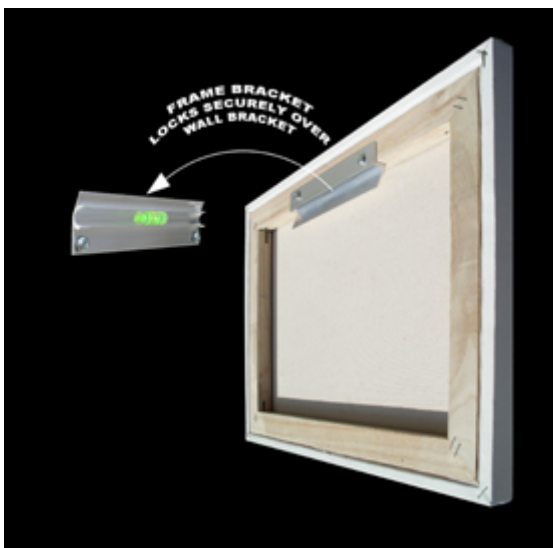

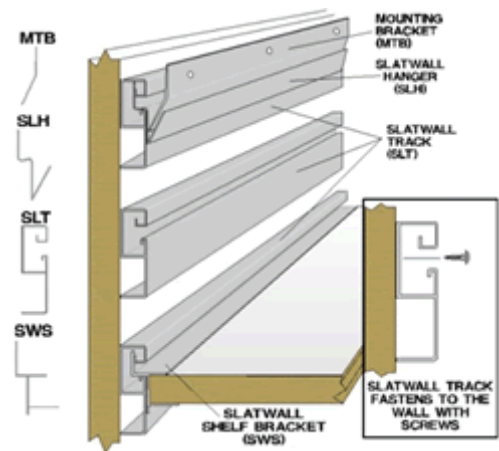

A retailer needed a flexible picture hanging system to be sold in their store. With minimal effort and cost, a gallery was created by installing the **Hangman Products Slat Wall System**.

Our system is capable of withstanding more weight than typical slat wall systems. Because there are no panels to install it is very affordable. The **Hangman Products Slat Wall System** is made of individual slat wall aluminum extrusions. It is designed for simple and easy installation. Strong, inexpensive, versatile and a complete system for hanging art or store merchandising.

Slat Wall Accessories include; **Clip-it Strip, Tool Caddy, Self-Locking Peg Hooks, Panel Hangers and Wire Hangers, Flush Mount Hangers, Canvas Hangers and Aluminum Frame Hangers.**

Next we needed picture hangers to sell to their customers. **Hangman Products** offer a new way for hanging art and the safest and easiest method available. Wall décor can be installed in moments by using our **Hangman System, Flush Mount System, Canvas Hanger, Aluminum Hanger and Wire Hangers.**

Hanging pictures level is easy because most of our items are packaged with a removable level. The interlocking design of our standard **Hangman System** assures a safe and secure installation with horizontal adjustments in case of an error. Allowing the customer to always "Hang it level every time"TM.

Hangman Products hangers are made from high strength aluminum and won't rust or corrode.

We now offer the **Wall-DogTM** and **Bear-ClawTM** anchorless screws which allow installation without anchors. These screws will work with drywall, wood and most metals. We have made it that much easier to "Hang it level every time"TM

Your gallery personnel can use their time more productively as their setup process is fast and flexible. Workers can easily hang artworks, then quickly and simply move them to a different space on a wall. They can just as easily remove artworks from the wall or create point of purchase solutions quickly.

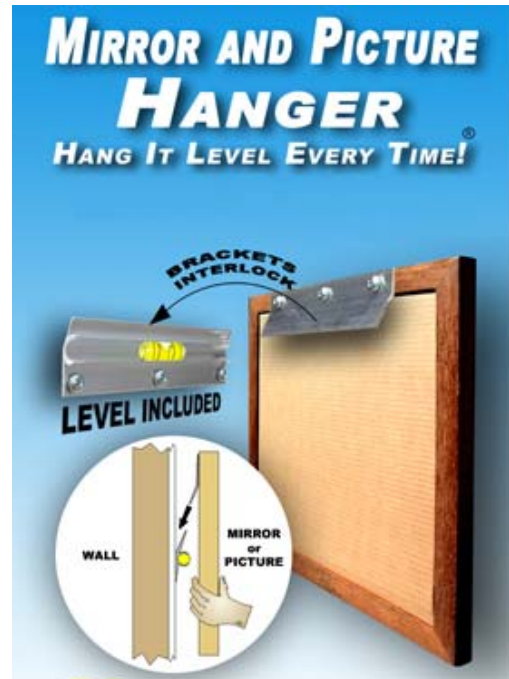

Since the focus of a gallery is to sell art, we have made the sales transaction as simple as possible. The customer simply takes the art home and the painting, photograph or print is automatically ready for hanging because it already has one of our patented **Hangman System** picture hangers installed with our level included. The customer and the retailer are happy all the way down the line.

Hangman Products hangers are made from high strength aluminum and won't rust or corrode.

Whether you know it as Slat Wall, Slot Wall, Slatwall, Slotwall, Slat-Wall, or Slot-Wall, **Hangman Products** has a solution for you.

Retailers, remember to recommend **Hangman Products** to your customers. We have the perfect solution for home improvement, hanging paintings, hanging other pictures or mirrors, creating art galleries, a home picture gallery or a photo gallery.
